## Lunch

Your child will need a packed lunch, sufficient for the duration of their day. Due to allergies, nuts and nut products are strictly forbidden. While Club Spraoi promotes healthy eating for children, as the Holiday Care / Camps take place during school holidays, we permit a small treat in the packed lunch (No chewing gum).

## Clothing

Many of the activities that take place during the camp involve the children being active and also using messy materials, so please ensure that your child wears something that is comfortable and won't matter if it gets dirty.

## Sun Protection

When the weather is sunny, please ensure that sunscreen is applied before your child comes to Camp. If your child is going to be with us for a full day, I would recommend that you keep sunscreen in your child's bag so that it can be reapplied as needed during the day, and a cap/sun hat also.

## Phone/Tablets/Gaming Devices/Toys

Phones, tablets and gaming devices are not permitted at Club Spraoi Camps. Our belief is that children have many opportunities in their day-to-day lives to use these devices and when they are with us, we endeavour to engage them in fun activities that promote their social, emotional, cognitive and physical development. We discourage children from bringing their own toys to Club Spraoi as they can easily get lost or broken.
